Learn about 3D Products, Programs & Technology

Learn about things like:

- How 3D technology works
- What type of equipment you'll need to enjoy the 3D experience
- What's available to watch in 3D
- Troubleshooting your 3D set-up
- And much more!

Find out for yourself at:

3DUniversity.net

3DUniversity.net is a neutral, non-biased source of information on 3D products.

We have designed a place to get the answers to your questions about 3D. If we don't know the answer, we tell you that too, and don't make anything up. We want you to have a great 3D experience in your home – good programs, good products, comfortable viewing.

Entertainment in 3D can be better than in 2D and we'll show you how.
