uses four- to five-word sentences

2 years

points to object when named

imitates adults (claps after adult claps)

points to interesting objects

plays pretend ("talks" on toy phone)

# It's time to change how we view a child's growth.

It's natural to measure your child's height and weight. But you should measure other ways your child is growing, too. Talk with a doctor or nurse about your child's total development.
